

EMERGENCY FUND PLANNER TEMPLATE

Peace of mind starts with preparation. This emergency fund planner helps you build a financial buffer for unexpected events. Determine how much you need based on your lifestyle and risk tolerance. A few months' worth of expenses is a good starting point, but don't be afraid to aim higher for extra security

MONTHLY EXPENSES

Category	Estimated Amount	Actual Amount	Difference	Do you have at least 3-6 months saved?	Do you need to save more?
Housing
